Conference. It is immaterial in what Capacity they go whether as the representatives of this District Board or that, so long as the object of the Conference is strictly to discuss subjects of general interest & secondarily of local interest. Even for the discussion of local subjects, altho' they go as representatives of the Tumkur & Kolar respectively they can give the benefit of their experiences in Kolar and Tumkur. Besides this they will have much to learn from the other delegates & for this purpose it is immaterial what each officer attends as the representative of any particular District.
